star trek uniform	star trek costume
----------------------	----------------------

For the Star Trek fans that always wish they could be a part of the action, a Star Trek costume makes it easy to feel like you are a real part of the team. For the female Trekkies out there, a Uhura costume can be the perfect way to join in at the parties and conventions. A one hundred percent polyester Star Trek uniform, the Uhura costume is an officially licensed outfit so you know that you are wearing the real thing. The costume comes complete in mini dress style with the official Star fleet emblem. Easy to spot clean as needed, the soft and comfortable uniform comes in a variety of sizes so you can easily find the one that's right for you. The large inventory on eBay features new or used Uhura costumes that look just like the original. Find the right Uhura costume for your needs and look the part perfectly at your next big Star Trek gathering.

gsxr-600-rectifier (<http://www.amazon.com/Voltage-Regulator-Rectifier-Assembly-Suzuki/dp/B003VKGRGC>,
<http://ricksmotorsportelectrics.com/suzuki-gsxr-stator>)

2006 GSXR 600 Rectifier	2007 GSXR 600 Rectifier
----------------------------	----------------------------

Pushing your Suzuki GSXR 600 to its limits can make for a wild ride, but it can also take a toll on the bike, especially the electronics. A GSXR 600 rectifier can burn out after years of wear and tear, but brand new replacement rectifiers offer an easy install that can keep your favorite bike on the road. With a replacement rectifier from the abundant inventory on eBay, your bike's alternator can create plenty of power to run the accessories without fail. Heavy use or hot climates can wear out the rectifier quicker than cooler climates and light use. A new 2006 GSXR 600 rectifier offers powerful AC/DC power conversion as well as temperature control so you can ride on with confidence. Owners who need a 2007 GSXR 600 rectifier can appreciate the higher grade copper wire and steel core built into most OEM rectifiers. Whatever model year Suzuki you may own, be sure to keep the rectifier in great condition so your bike can continue to ride like it did on day one.

(<http://www.harley-davidson.com/store/saddlebag-extension-kit>, <http://www.revzilla.com/motorcycle/klock-werks-saddlebag-extensions-for-harley-touring-1993-2013>)

Harley Davidson touring saddle bag extensions

Few things are more enjoyable than taking a long ride on your prized Harley touring bike, and with a new or used Harley Davidson touring saddle bag extensions, you can pack as much as you need for the trip. Extensions provide a “tail dragger” look to your bike by wrapping around the back of the bike and the exhaust pipe. Easy to install saddle bag extension kits offer extra space for hauling anything you might need, from extra bags to coolers and any other essentials. Harley Davidson certified extensions come from the same tough ABS materials as the original saddlebags so you know they can withstand the tough elements. Fully painted or bare versions abound in the large inventory on eBay so you can find the best matching extensions for your bike. The next time you hit the road for a long trip, be sure to have Harley Davidson touring saddle bag extensions on board so you can haul everything you want in one convenient spot.

curio-table (<http://www.amazon.com/Butler-Specialty-Curio-Plantation-Cherry/dp/B003U7KJ70>, <http://www.bhg.com/shop/furniture/curio-tables-s.html>)

coffee tables	end tables
------------------	---------------

A brand new or lightly used curio table can add a beautiful style to any room in your home, and the large inventory on eBay provides plenty of tables that can easily suit your needs. Glass top or wooden top end tables offer a lovely accent that is perfect for displaying your favorite collectibles or just serving as a convenient side table. Sturdy wooden construction makes for a solid piece that is sure to last for many years. Beautiful cherry, oak, or mahogany wood all add their own touch of style and design to your home. Glass replacements for coffee tables and end tables provide a great way to repair your favorite furniture without the need to buy new pieces. For those who want more space to display their favorite items, larger curio cabinets with multiple shelves can also be found in both new and used condition. Whatever your specific home needs may be, find the right curio table or cabinet that fits your style.

Kouki (k fenders, k tail lights) http://en.wikipedia.org/wiki/Nissan_240SX <http://www.thenismoshop.com>

Nissan 240SX in North America, 1989-1998, 2nd gen from 95-98 featured the kouki in 97-98 w/ a different S chassis, new projector headlights, revised taillights and fenders,

Not everyone wants an old school classic muscle car, and not everyone wants a brand new sports car either. Some want a new classic with old power in a small package, and the Nissan 240 SX fits the bill perfectly. For the rare and dedicated Kouki owners out there, the reliable sellers of eBay provide many essential parts you need in order to keep your new classic running like it's the 1990's all over again. Available in North America from 1989 to 1998, towards the end of the Nissan 240SX's run the "Kouki" appears with a different S chassis from its predecessors. The car offer a new form of projector headlights, revised tail lights and a new fender design. The sellers of eBay offer Kouki fenders and Kouki tail lights among many other options and upgrades for getting the most out of your little powerhouse. Find a wide variety of used and new parts on eBay so you can enjoy the power of a classic in the package of a new car.

Krk (krk rokit 8, krk subwoofer) <http://www.krksys.com/index.html>

<http://www.musicradar.com/us/reviews/tech/krk-rokit-8-g3-594056>

Pro recording subs and speakers, largest of the three 2-way models, 3rd gen product, tons of cord connections(XLR, ¼ jack, RCA), 100 watts total, solid and powerful bass end, high frequency knob, bigger model but still very compact

The band has finally got the recording space, the instruments tuned up and you're excited to make the first album a reality. Hopefully the equipment can handle all the talent in the room, and if your tools of the trade include a KRK subwoofer or Rokit 8, you're going to be alright. If not, the reliable sellers of eBay can help you out with new and used KRK products to make sure you capture everything perfectly. A third generation sub, the KRK Rokit 8 provides 100 watts of pure power, multiple setting adjusters and a powerful bass end. Connect XLR, RCA or ¼ jacks to this small but powerful KRK subwoofer and let it work its magic. If you need your music to sound just as good on recording as it does when you play it, make sure you have KRK to back you up. A band's sounds only as good as its recording tools, and the KRK line of subs are as good as it gets.

KTM 450 (k exc, k sx) <http://www.ktm.com/us/ready-to-race.html> <http://www.cycletrader.com/KTM-450-Motorcycles---CycleTrader.com/search-results?make=KTM%7C2319322&model=450%7C764858331&vrsn=hybrid>

Large model (LM airplane, LM cars) <http://www.factorydirectmodels.com/cmm-em.html>
<http://www.largemodelassociation.com/#>

¼, ½ and full size models, floor models or ceiling hangars, place in a lobby / show room / event hall / made of stainless steel / hard plastics / wooden frames, build cars / trucks / airplanes / helicopters

Remember the fun of building a new model car or airplane as a child and proudly displaying it for the world to enjoy? Not only can you relive that experience as an adult, but you can also go big with a large model car or airplane kit, brought to you by the reliable sellers of eBay. Model building is no longer limited to just the desktop size now that large model kits come in ¼, ½ and sometimes even full size models. Wooden frames, stainless steel pieces and hard plastics bring to life everything from classic Model-T's to new age 747 jets. Companies and event halls place these large model pieces in their lobbies to wow their guests with massive floor models and ceiling hangars. Wherever you plan to place your favorite large model roadster or sky bird, be sure to check eBay for many great large model kits, and get ready to multiply the fun of your favorite hobby.

Late model (dirt LM, LM race car) <http://www.latemodelracer.com/> <http://www.dirtlatemodelsim.com/>

Dirt late model stock car racing, parts for your racing car, popular stock car racing in North America, minor leagues of Nascar, dirt or asphalt tracks, newest model years are used as the basis for the cars

The excitement of the race, the energy of your vehicle, the thrill of victory. All in a day's work for the lucky ones who partake in Dirt late model racing. For the adrenaline junkies who need to keep their late model in the competition, you can find many replacement parts from eBay's reliable sellers. Late model racing is a style of stock car racing popular throughout North America and utilizes the newest year models of popular, and powerful, cars. Racing on dirt tracks or asphalt tracks, a late model race car goes through a lot of punishment over the length of a racing season and drivers need to make sure their vehicle is ready to bring home a win, and ready to do it safely. New engine parts, transmissions, alternators and fuel systems are just a few essentials available on eBay. Whatever you need to breathe new life into your late model, find the right parts on eBay and keep your ride on the track for years to come.

When you need to fix your late model with some of the best parts out there, search eBay first for keeping you in the race until the end of the season.
